## Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

**A.** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

**B.** Provide the complete street address of your Arkansas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway \_\_\_\_\_, 2 miles past Highway \_\_\_\_\_, across the street from the \_\_\_\_\_ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

**C.** Print the complete address where you want your ballot sent - usually your current mailing address. Your

current mailing address must be different from the address you provided in Item 3.

**D.** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party affiliation is not required if only requesting absentee ballots for general elections. If you have previously declined to indicate a political party and you now want to vote in a primary election, you must submit a completed FPCA which includes your new political party affiliation to the local election official.

**E.** Check ONE box.

**F.** The applicant must sign and date the FPCA for it to be processed by the local election official.

### B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year (for local, state and Federal offices).

Registration is waived.

(1) **To request an absentee ballot**, mail or fax a completed FPCA to the local election official so that it arrives not later than 7 days before the election. If application is delivered by designated bearer, it must be received by close of business on the day before the election.

(2) Return your voted ballot to the local election official so that it arrives by 5:00 p.m. ten calendar days after the election.

Local election officials mail ballots approximately 25 days before an election.

If you are voting from outside the U.S., your ballot will be counted up to 10 days after the election if:

- you had signed, dated, postmarked and personally mailed it by election day.
